

2021 - 2022 Mary Gaudio Senior Scholarship Award Information and Instructions

The Allen Orchestra Booster Club invites all Senior Orchestra Students who are college bound to apply for a Scholarship from the Allen Orchestra Booster Club.

Number and Value of Scholarships

2 scholarships of \$1000 will be awarded.

Judging

All scholarships will be judged blind with the candidate's name removed and a candidate number assigned. We have enlisted three Judges from the state of Texas that have diverse backgrounds who will judge independently of one another.

The judges will be given explicit instructions for ranking the candidates in order, following the review of the student's application and essay, from first to last, corresponding with the total number of applications/essays submitted.

The results of the judge's rankings will be tabulated by a non-senior parent and presented to the orchestra directors.

Following the determination of the number of scholarships, the scholarships will be awarded as judged.

Announcement of Scholarship Recipients

Scholarship recipients will be announced at the 2022 Orchestra Awards Ceremony. Awards will be distributed to the student and made out to the university listed on the application. Actual awards are made in June (or before). The check will be sent to the home address listed on the application.

- Winners will be announced at the 2022 Orchestra Awards Ceremony
- Awards will be distributed directly to the student AND will be made out to their chosen university/college for use towards their college endeavors
